Exhibit 88

We started wiring today. I know it's small but will build.

Lawyers are on it

Will you be sending MOU and wire conf info today?

If not please send me update as to where we stand and what is the holdup.

Thx.

Subject: Call

If you are not able to make the call after 6:45 PST, please email the basic details and include how much you will wire and when.

Although Todd is overseas we can't let that affect this situation to drag on without showing progress.

It was extremely worrisome when you said that there was no liquidity to wire a mere \$27K.
